**Resorts Casino Hotel debuts, East Wind Casino,
a new Asian gaming room, Grand Opening May 27**

(Atlantic City, NJ) May 27, 2011 – Wealth, good fortune and vitality are only a few of the inspirations behind East Wind Casino, the new Asian gaming pit at Resorts Casino Hotel. The grand opening of East Wind Casino will be held on Friday, May 27 as part of Resorts summer kick-off celebration.

Drawing from the beauty of nature and the principles of feng shui and the Asian culture, East Wind Casino has a distinctive ambiance. Located right off the Boardwalk, East Wind will have guests feeling like they walked in off a cool ocean breeze into a gaming oasis with water features, river rock, natural cork wall coverings and natural seaweed incorporated into the design. The noodle bar features hand-crafted mosaic glass tiles and the specialty tea is featured in a clear wall so the tea leaves are all on display. Murals also line the walls depicting various Asian good fortune, wealth and tranquility symbols, including Koi, lotus blossoms, cherry blossoms and dragons.

“We wanted to create a truly auspicious space for the Asian market that embodies all things fortunate and strong, and combine them in a way that the ambiance was unlike any other Asian room in Atlantic City. East Wind achieves just that,” said Dennis C. Gomes, Owner, President & C.E.O. of Resorts Casino Hotel. “From the beautifully hand painted murals to the stunning water feature and the delicious noodle bar, bakery and barbeque, East Wind is yet another example of how Resorts is transforming gaming in Atlantic City.”

Not to be outdone by the spectacular design, East Wind Casino and Noodle bar will feature a Chinese Bakery, Barbecue, Noodle Bar, Dim Sum and specialty teas. Resorts’ Chef Ping will oversee all culinary aspects of East Wind.

East Wind Casino will also feature 22 gaming tables, including pai gow poker, pai gow tiles, Asia poker and mini baccarat tables (seating Macau type).
